10. Item 9 (b)

The Manila International Airport Consortium (MIAC), a partnership among six leading Filipino conglomerates and US-based Global Infrastructure Partners (GIP) submitted an unsolicited proposal to the Philippine Government for the upgrading of Manila's Ninoy Aquino International Airport (NAIA). Valued at over PHP 100 billion, the proposal includes a significant upfront payment to Government and committed investments in new facilities and technology to transform NAIA into a world-class airport.

Some of the country's largest conglomerates – Aboitiz InfraCapital, Inc., AC Infrastructure Holdings Corporation, Asia's Emerging Dragon Corporation, Alliance Global – Infracorp Development, Inc., Filinvest Development Corporation, and JG Summit Infrastructure Holdings Corporation – have joined forces with Global Infrastructure Partners, one of the leading infrastructure investors and airport operators in the world, to propose this significant endeavor in partnership with the Philippine Government.
